

***Proposed Assessment Report:
Overview of comments from second consultation
period and next steps***

November, 2010

Assessment Report Submission Process

Draft Proposed Assessment Report

- SPC endorsed Draft Proposed Report for release at the August meeting
- Reports issued for consultation in early September
- SPC received comments on report, and the reports were revised to reflect comments received at the October meeting

Proposed Assessment Report

- Reports released for consultation on October 22
- Comments received November 22
- SPC to review the input from the consultation period and provide a recommendation at November 25 meeting
- Lead SPA will review all comments (from consultation, SPC, and other SPAs) and provide a recommendation to the MOE
- The Proposed Assessment Reports will be submitted to the province along with all feedback and recommendations on December 17

Comments Received from

- Members of public (1 submission).
 - Primarily related to concerns with the SWP process.
- Township of Georgina (York Region).
 - Requesting future updates regarding the SWP planning process.
- City of Barrie.
 - Primarily editorial comments.
- Township of Adjala Tosorontio (Simcoe County).
 - Requested removal of the decommissioned Colgan Wells from the process.
- City of Kawartha Lakes.
 - Primarily editorial comments.

Removal of systems from the process

CWA requirements;

- Pass a council resolution stating that the wells have been (or will be) decommissioned
- Publish a notification in the local newspaper stating that the wells have been (or will be) decommissioned
- Provide a copy of the council resolution and copy of the newspaper notice to the SPC
- *Notify landowners that may be affected by the change*
