

DRINKING WATER SOURCE PROTECTION

ACT FOR CLEAN WATER

Lake Simcoe
Region
Conservation
Authority

South Georgian Bay Lake Simcoe Source Protection Region

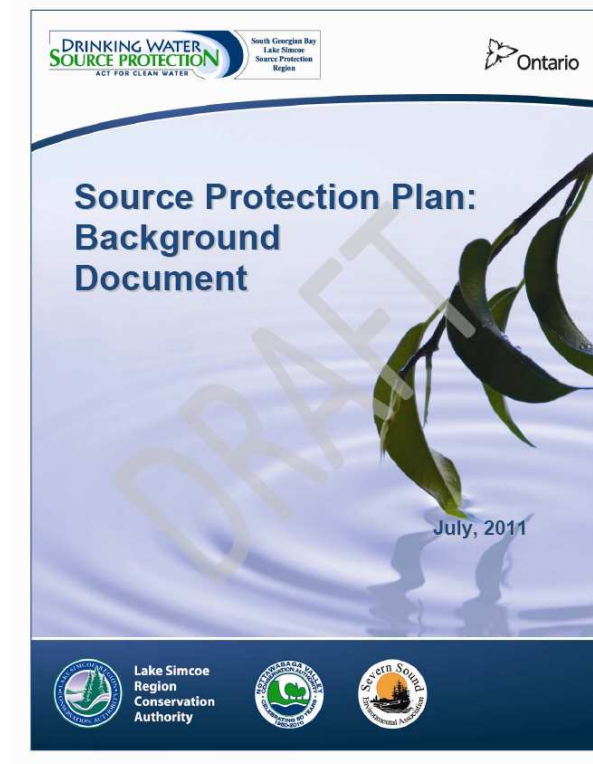

A REVIEW OF THE THREE DOCUMENTS:

Source Protection Plan;
Explanatory Document;
Background Document

South Georgian Bay Lake Simcoe Source Protection Region

The Background Document

- Summarizes all the background information on source water protection
- Offers details about the 21 threats
- Provides contextual information
- Traces the process that was followed
- Not a legislative requirement
- Tabled at last month's SPC

South Georgian Bay Lake Simcoe Source Protection Region

The Explanatory Document

- Explains in detail how the policies in the SP Plan were developed (provides rationale or “thinking” behind the Plan)
- Required by legislation; accompanies the SP Plan
- Similar table of contents to background doc but different focus – providing local specifics
- Living document – will be updated when new information becomes available

South Georgian Bay Lake Simcoe Source Protection Region

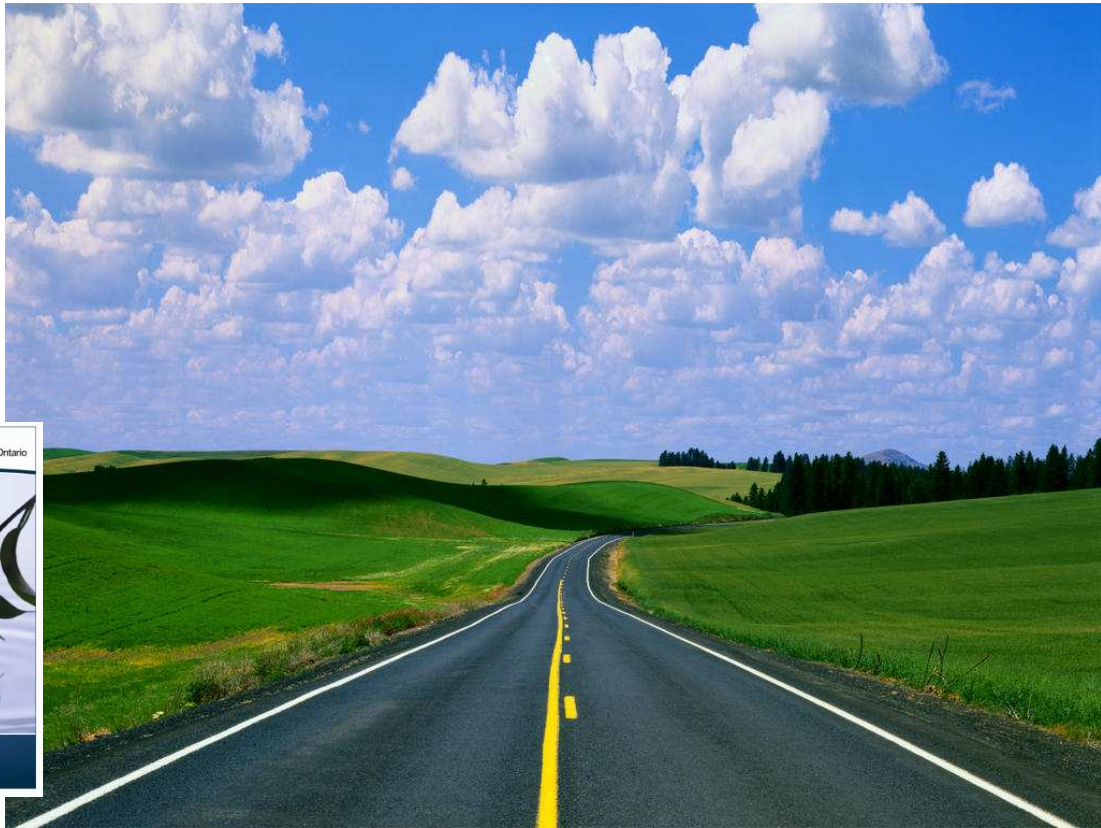

The Source Protection Plan

- Mandated by CWA
- Includes introductory sections and policies by threat type
- Policies reference implementing body, specific direction, timeframe for implementation, legal effect
- Appendices noting which policies have various legal effect required by province in recent direction (to be added)
